CARMENTA
THE WELLNESS INDUSTRY

YACHT REFERENCES

Fondata nel 1949 a Carmignano di Brenta nel cuore del nord-est italiano, Carmenta ha da decenni un ruolo importante nel mercato internazionale, focalizzando il proprio core business nel wellness, lavorando a stretto contatto con architetti, progettisti e clienti proponendo materiali e collezioni esclusive senza tralasciare le caratteristiche artigianali del Made in Italy. La professionalità Carmenta è presente anche nel settore navale, trattando cabine Wellness realizzate all'interno sia di Yacht che di grandi navi.

Established in 1949 in Carmignano di Brenta, North – East Italy, Carmenta has had from decades an important role in the international market, focusing its core-business on wellness equipment market, working with designer, architects and customer proposing exclusive materials and collections with the unique hand-crafted Made in Italy. Carmenta's professionalism is also present in the naval sector, dealing with Wellness cabins built inside both yachts and cruises

Fondée en 1949 à Carmignano di Brenta, au cœur du nord-est de l'Italie, Carmenta joue un rôle important sur le marché international depuis des décennies, concentrant son activité principale sur le bien-être, travaillant en contact étroit avec des architectes, des designers et des clients offrant des matériaux et des collections exclusifs sans négliger les caractéristiques artisanales du Made in Italy. Le professionnalisme de Carmenta est également présent dans le secteur naval, en s'occupant des cabines Wellness construites à l'intérieur des yachts et des grands navires.

100% made in Italy
