L'Arte del Benessere Made in Italy

Da oltre 70 anni, Carmenta rappresenta l'eccellenza del Made in Italy nel mondo del wellness, combinando tradizione artigianale, innovazione tecnologica e una profonda attenzione ai dettagli. Ogni prodotto nasce dall'unione tra la sapienza dei nostri artigiani e la ricerca dei migliori materiali, per creare soluzioni uniche e sostenibili.

Nel cuore della nostra produzione c'è il legno, un materiale nobile che lavoriamo con passione e precisione. Ogni dogia viene selezionata e trattata con cura, trasformando la materia prima in superfici raffinate e resistenti. L'attenzione per i dettagli e la dedizione artigianale si traducono in creazioni che non sono solo funzionali, ma vere opere d'arte, pensate per durare nel tempo.

Carmenta non è solo un'azienda, ma un partner per chi cerca la perfezione: collaboriamo con designer, architetti e progettisti per trasformare ogni idea in realtà, offrendo soluzioni personalizzate che esaltano il valore del benessere. Benvenuti nel mondo Carmenta, dove il design incontra la tradizione e il benessere diventa un'esperienza indimenticabile.

For over 70 years, Carmenta has embodied the excellence of Made in Italy in the world of wellness, combining artisanal tradition, technological innovation, and meticulous attention to detail. Every product is born from the union of our artisans' expertise and the selection of the finest materials, creating unique and sustainable solutions.

At the heart of our production lies wood, a noble material that we work with passion and precision.

Each slat is carefully selected and treated, transforming raw materials into refined and durable surfaces.

This attention to detail and artisanal dedication results in creations that are not only functional but true works of art, designed to stand the test of time.

Carmenta is not just a company but a trusted partner for those seeking perfection. We collaborate with designers, architects, and planners to bring every idea to life, offering bespoke solutions that elevate the essence of wellness. Welcome to the world of Carmenta, where design meets tradition, and wellness becomes an unforgettable experience.

Collection

Infinity

La collezione Infinity eleva l'esperienza di spa tradizionale a un'opera d'arte contemporanea, pensata per integrarsi armoniosamente in ambienti di lusso come hotel, spa o residenze private. È la celebrazione del design italiano, dove tradizione e modernità si incontrano per creare spazi unici e irripetibili.

Infinity è la scelta perfetta per chi desidera trasformare un momento di relax in un'oasi di lusso e benessere, rendendolo il cuore pulsante di un ambiente wellness esclusivo.

Infinity collection elevates the traditional spa experience into a contemporary work of art, designed to integrate seamlessly into luxurious settings such as hotels, spas, or private residences. It is the celebration of Italian design, where tradition and modernity meet to create unique and unparalleled spaces. Infinity is the perfect choice for those who want to transform a moment of relaxation into an oasis of luxury and wellness, making it the beating heart of an exclusive wellness environment.

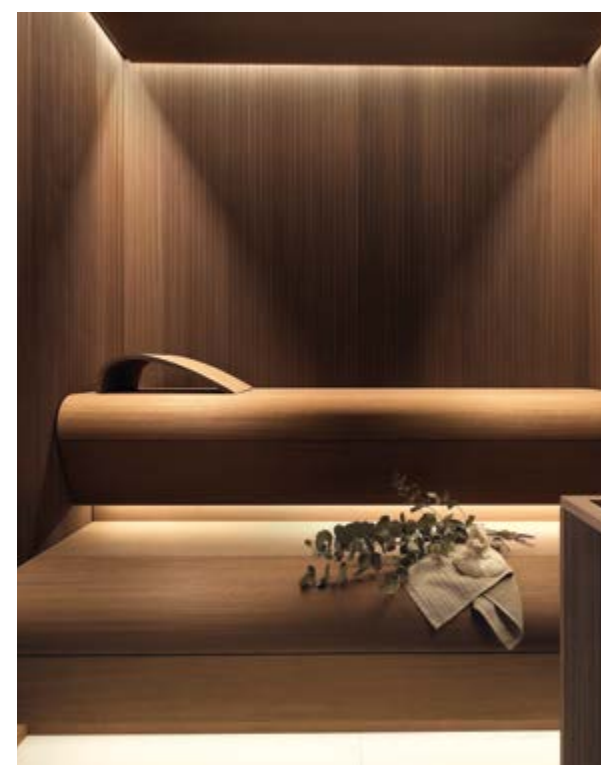

Infinity Sauna

La Sauna Infinity rappresenta la sintesi perfetta tra eleganza e innovazione, ispirata ai design più esclusivi del mondo nautico di lusso. Le canalette verticali in Thermowood, realizzate con maestria artigianale, conferiscono un senso di profondità e raffinatezza, richiamando l'atmosfera sofisticata di ambienti dove ogni dettaglio è curato alla perfezione.

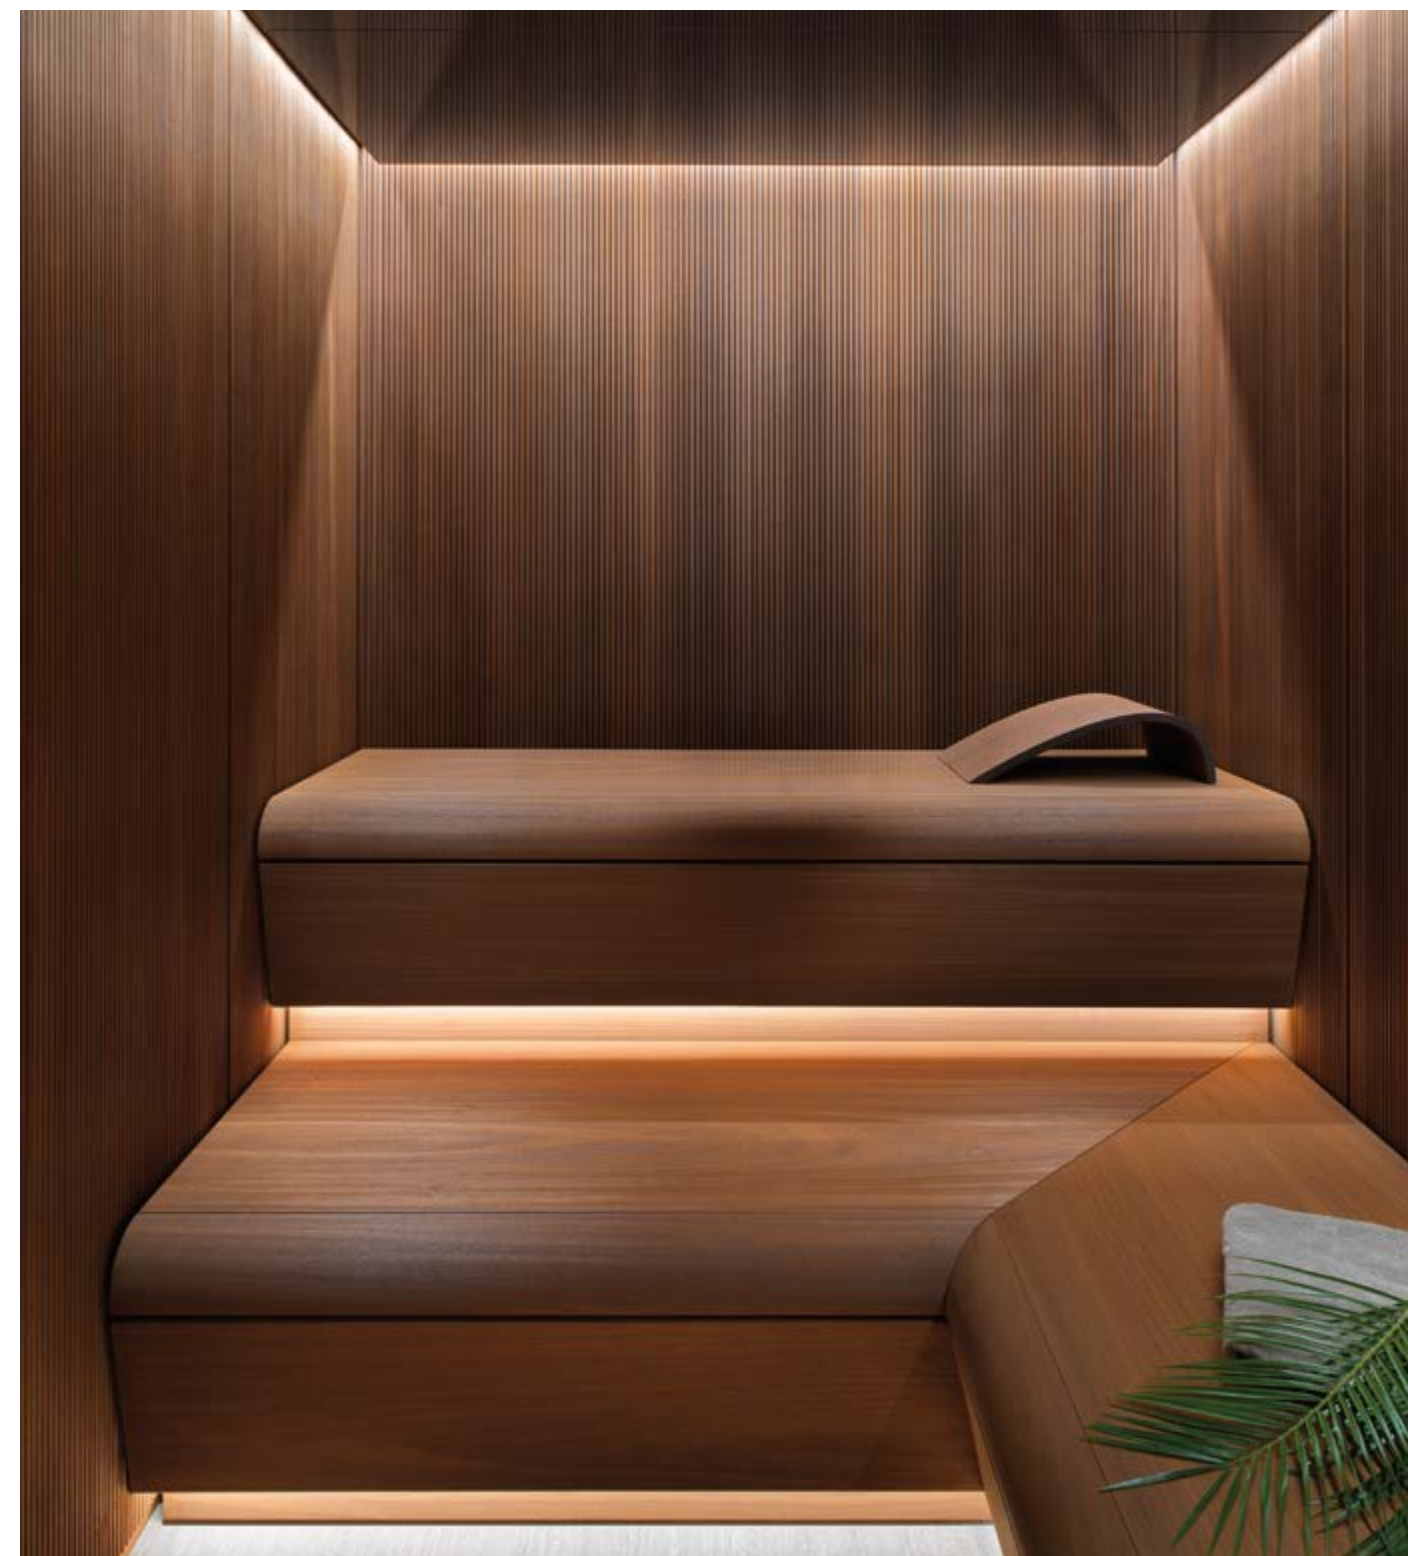

Le panche ergonomiche, illuminate da una luce calda e avvolgente, sono progettate per offrire il massimo comfort. Il design delle linee pulite, insieme alla scelta di materiali naturali e sostenibili, trasforma ogni momento in sauna in un'esperienza di benessere esclusiva.

The Infinity Sauna embodies the perfect blend of elegance and innovation, inspired by the most exclusive designs in the world of luxury yachting. The vertically grooved Thermowood slats, crafted with artisanal precision, create a sense of depth and sophistication, evoking the refined atmosphere of spaces where every detail is meticulously curated.

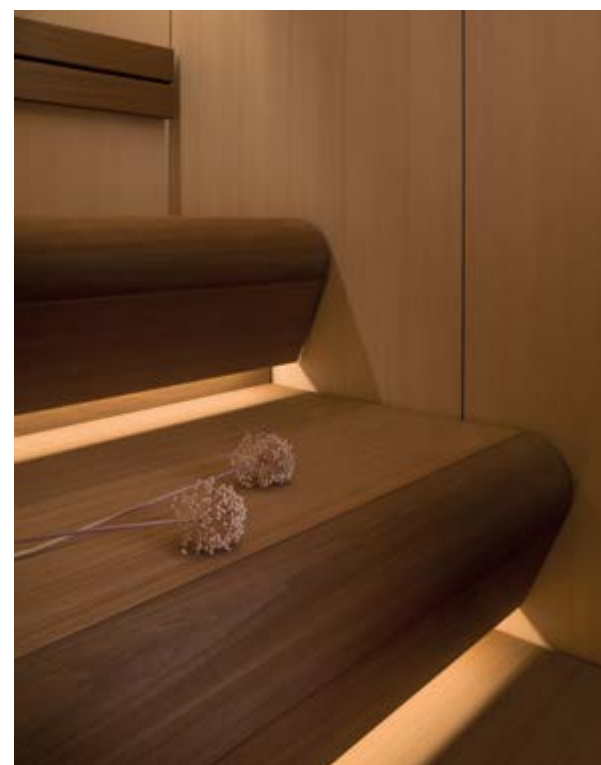

The ergonomic benches, bathed in warm and enveloping light, are designed to deliver maximum comfort. The clean lines of the design, paired with the use of natural and sustainable materials, transform every moment in the sauna into an exclusive wellness experience.

Infinity Steam Bath

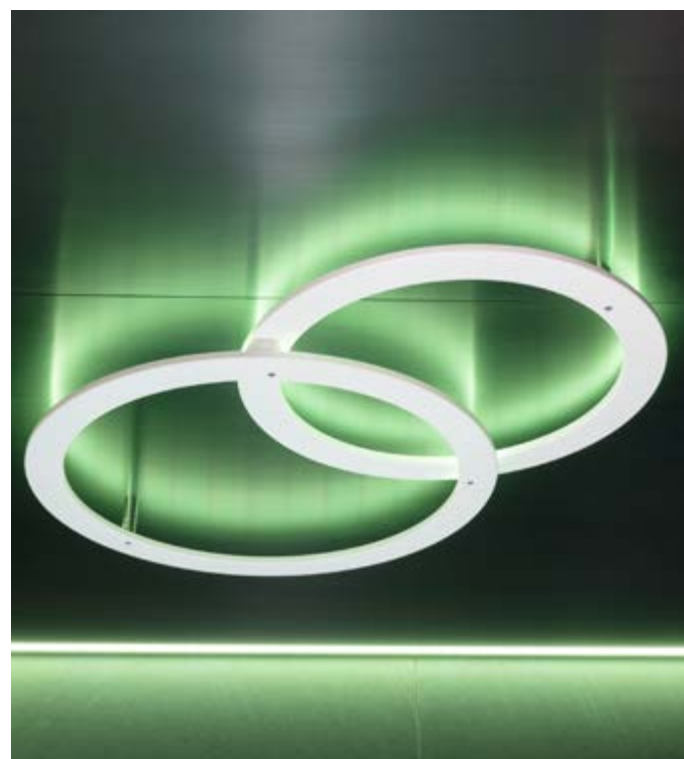

Il Bagno Turco Infinity Carmenta unisce innovazione e artigianalità per offrire un'esperienza di benessere che supera ogni aspettativa. Le pareti con canalette in Solid Surface, una caratteristica esclusiva e senza precedenti, creano un gioco di luci e ombre che arricchisce lo spazio, donando profondità e un'eleganza senza tempo. La panca curva ergonomica, progettata per avvolgere il corpo in un abbraccio confortevole, riflette l'attenzione ai dettagli che caratterizza l'intera collezione. Grazie alla tecnologia avanzata per la gestione del vapore, il bagno turco garantisce un calore uniforme e personalizzabile, ideale per il relax e la rigenerazione.

The Infinity Steam Cabin by Carmenta combines innovation and craftsmanship to deliver a wellness experience that exceeds all expectations. The walls, featuring exclusive and unprecedented Solid Surface slats, create a play of light and shadow that enriches the space, adding depth and timeless elegance.

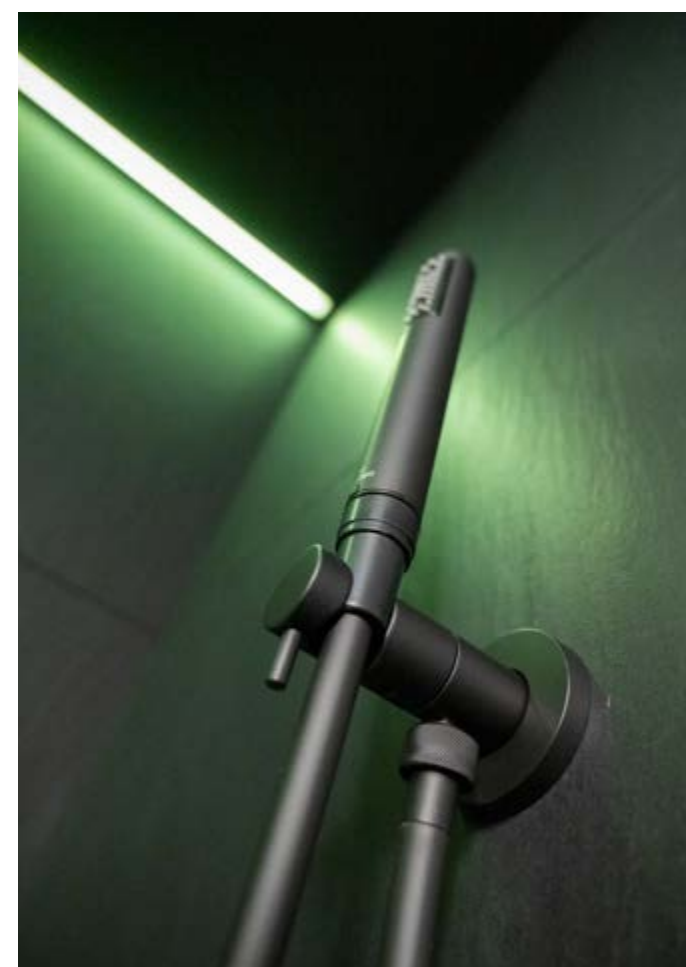

The curved ergonomic bench, designed to envelop the body in a comforting embrace, reflects the meticulous attention to detail that defines the entire collection. Thanks to advanced steam management technology, the steam room ensures uniform and customizable heat, perfect for relaxation and rejuvenation.

Infinity Shower

La Doccia Infinity di Carmenta ridefinisce l'esperienza della doccia tradizionale, trasformandola in un'opera d'arte contemporanea. Ogni elemento è stato progettato con attenzione al dettaglio, unendo materiali pregiati e tecnologia avanzata per creare un ambiente raffinato ed esclusivo.

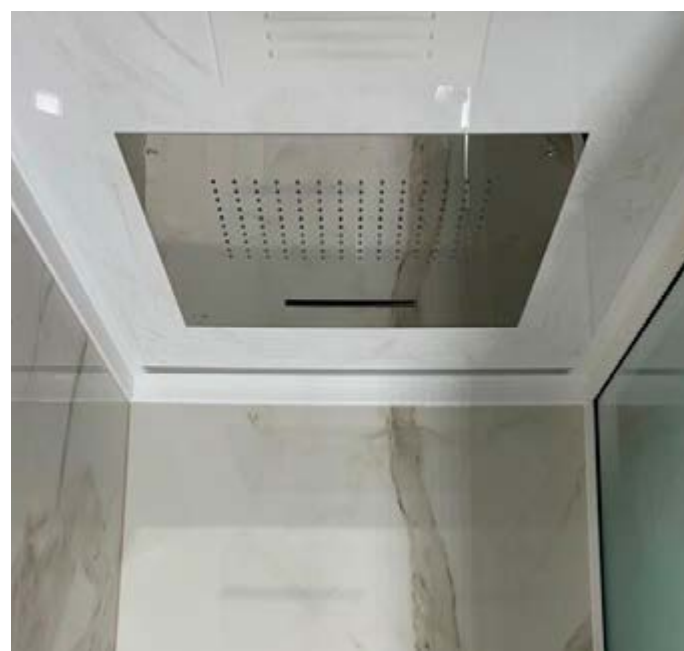

Le pareti con effetto 3D cannettato e l'illuminazione a LED RGB o a luce calda contribuiscono a creare un'atmosfera unica, dove eleganza e funzionalità si incontrano.

Il design ergonomico e l'innovazione tecnologica garantiscono un'esperienza sensoriale senza pari, perfetta per chi cerca un'oasi di benessere all'interno di hotel, spa e residenze di lusso.

Carmenta's Infinity Shower redefines the traditional shower experience, transforming it into a contemporary work of art. Every detail has been meticulously crafted, combining premium materials and advanced technology to create a refined and exclusive environment.

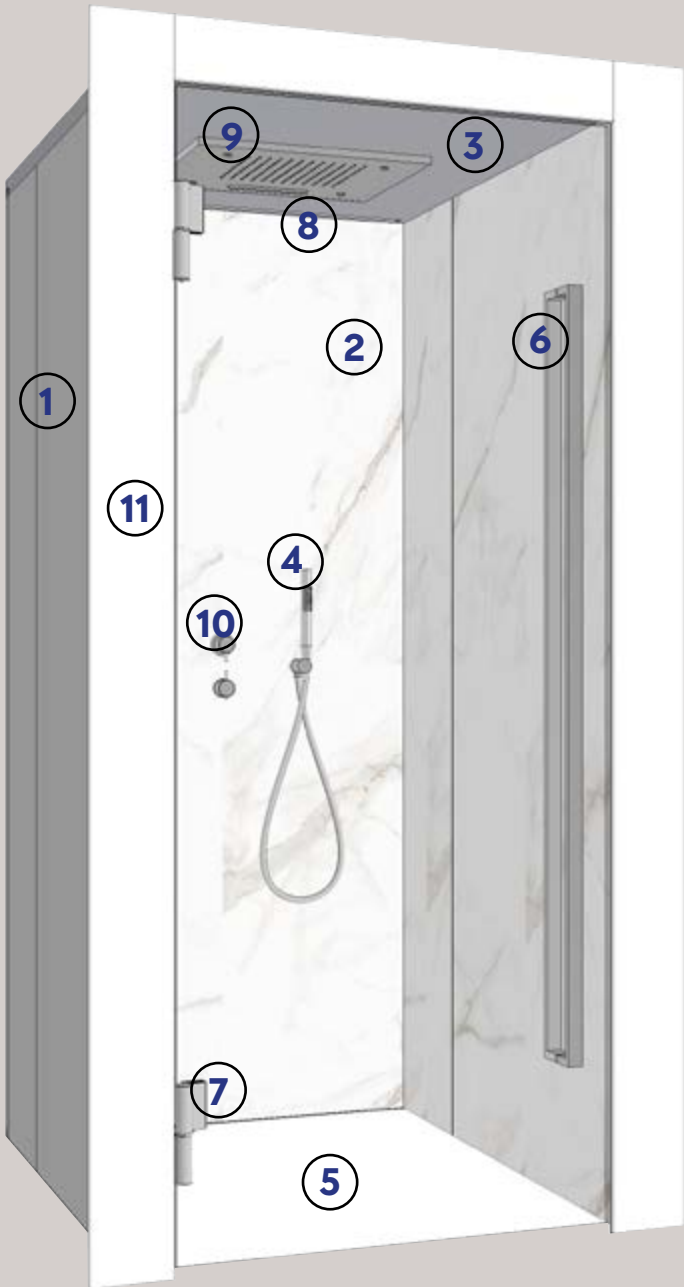

The 3D ribbed-effect walls and RGB or warm white LED lighting contribute to a unique atmosphere where elegance meets functionality.

With its ergonomic design and technological innovation, it offers an unparalleled sensory experience, ideal for those seeking a wellness oasis in luxury hotels, spas, and private residences.

Configurazioni / Configurations

Doccia / Shower

La doccia singola può essere inserita a muro come parte di un ambiente, o singolarmente come spazio a sè stante.

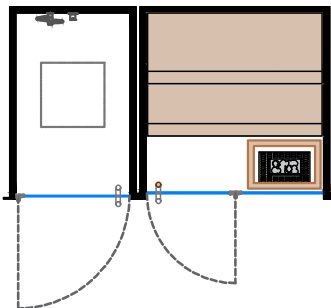

The shower can be installed within a dedicated space, recessed into the wall, or as a standalone feature.

Doccia + Sauna / Shower + Sauna

La doccia può essere installata in accoppiata con la sauna, secondo le stesse dinamiche della doccia singola.

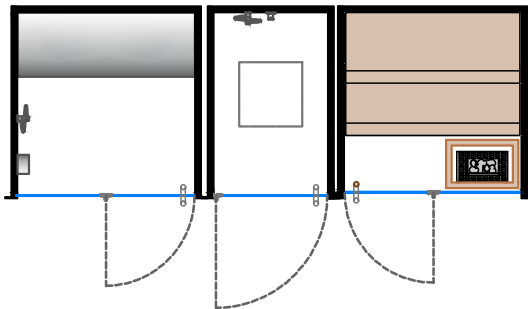

The shower can be integrated alongside the sauna for a unified wellness experience.

Bagno Di Vapore + Doccia + Sauna Steam Bath + Shower + Sauna

Questa configurazione garantisce un'esperienza a 360°, unendo i 3 elementi principali di una Spa in un unico volume.

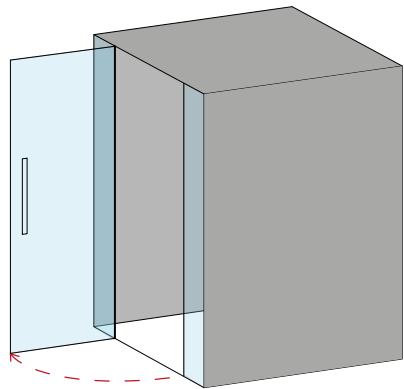

This configuration guarantees a 360° experience, merging together all the primary elements of a Spa into a single volume.
